Real Working Chocolate Factory
Tuamgraney, Co. Clare

We've been making chocolate in Co. Clare for nearly 20 years, and in that time we've won Great Taste Awards, recommendations from the McKenna Guides and Georgina Campbell Guides and are members of Good Food Ireland. We are proud of our chocolate making expertise and have created a huge range of chocolate goodies from the quirky Lavender & Rose or Seaweed and Lime bars to traditional chocolates such as Pralines, Caramels and Truffles to yummy Rocky Roads and Caramel slices to name but a few. So you will be sure to find your choice in our chocolates.

Available from selected retailers, from our factory in Tuamgraney, Co. Clare, our outlet shops in The Milk Market, Limerick and The Doolin Chocolate Shop on the Wild Atlantic Way.
